

Archery GB Partnership Award

Posted On Jun 18, Posted by [Xperience Archery](#) Category [Uncategorized](#)

We are really pleased to announce that ourselves, Deer Park Archers and Active Gloucestershire have won the Archery GB Partnership Award!

We are really pleased to announce that ourselves, Deer Park Archers and Active Gloucestershire have won the Archery GB Partnership Award! This award is presented annually to the club(s) and other organisations that have worked tirelessly together to provide archery to local communities and/or schools in a partnership approach that has benefited all partners involved. The Partnership Award recognizes the combined efforts of Deer Park, Xperience Archery and Active Gloucestershire to produce the best Primary & Secondary Archery School games in the UK. With almost 70 primary schools now competing the sheer scale of the support and organization needed is considerable but this partnership continues to deliver.
