Roger is BBC West Sports Unsung Hero and attended the BBC Sports Personality Awards 2012

A big well done to one of our voluntary coaches Roger who received the BBC West Sports Unsung Hero award for 2012. Earlier this year Roger was one of the Olympic Torch Bearers (if you would like us to bring the torch or the BBC West trophy along to a booking please let us know). As a result Roger and Steph attended the BBC Sports Personality of the Year Awards 2012 and rubbed shoulders with many sporting greats. Whilst he didn't win the Overall Unsung Hero Award, he is our winner and we are all really proud of him!
