

## School Games 2017

Posted On Jun 05, Posted by [Xperience Archery](#) Category [Uncategorized](#)

Just 2 events left, with the final heats of the Forest District on Wednesday and the Gloucester Finals on Friday.

Which will complete the line-up for the L3 County Finals at Hartpury on the 15

th

& 16

th

June.

115 Primary Schools with teams of 9 archers, a new record, will have competed for just 10 places in the final, unfortunately this did not meet the full demand for places which was more of a time issue rather than resources! That was not the only record, with soaring scores and the County Record being broken twice, firstly by Callowell and then by Sapperton Primary school!

The Secondary Schools Level 3 Finals are also taking shape with Balcarras, Archway, SWR, KLB and Ribston Hall into the finals.

We are indebted to Deer Park Archers and our many volunteers that support this fantastic programme.
