We are entering one of our favourite times of the year! The school games!

Schools are now getting ready selecting teams of 9 for the primaries and 12 for the secondaries. Competition for places is fierce, a number of schools are now entering 2 teams as the standard is so high. After this the Level 2 District competitions begin, up first is the Stroud South Primary Games at KLB! The demand this year is incredible over 40 primaries will be taking place at Level 2. All of this builds up to the Level 3 Finals at Hartpury in June. The primary schools do both adapted kit and traditional kit. The secondary school matches will be incredibly close, but currently Archway are the favourites, having finished first and runners up in the last 2 years.
